Book description

One of seven daughters in a line of extraordinary women, Hannah Drake has been the elusive object of affection for Jonas Harrington for as long as the rugged sheriff can remember. If only the stunning supermodel was driven by a passion other than her career. But Jonas isn't the only one with desires for Hannah. From the shadows has emerged a vengeful figure who stalks the beauty with one terrifying purpose: to strip her of all she is and destroy her. Only one man was destined as her protector. Now, out of a storm of danger, Jonas must guide the woman he loves from a sinister darkness that threatens not only Hannah, but the entire Drake family.
